PEDIGREE:

General Information:

- 1: Ensure that the mare arrives without hind shoes.
- 2: All mares will be wormed on arrival.
- 3: The Farrier will be called at regular intervals, if the mare requires attention this will be charged to the owner.
- 4: Veterinary assistance and advice will be obtained at the discretion of the staff and will be chargeable to the owner.
- 5: The account for fees will be presented on the mare's departure and must be paid in full at that time.
- 6: We suggest that mares are swabbed for Contagious Equine Metritis prior to arrival.
- 7: We suggest that mares are scanned for pregnancy before leaving the stud.
- 8: Although not compulsory we recommend all mares are blood tested free from equine viral arteritis.
- 9: Whilst every care will be taken, we advise that all mares be insured before coming to the stud. If not, they come at the risk of the owner.
- 10: Optional veterinary package available.
- 11: To qualify for the NFFR basis, all mares must have a positive pregnancy scan at a stage to detect a heartbeat, prior to leaving the stud, or if local return by arrangement.
- 12: If your mare is visiting for insemination with shipped in semen, all paperwork and payments must be completed prior to arrival.
- 13: If you are requiring semen shipped to your inseminating veterinary surgeon or technician all paperwork and payment must be completed prior to shipping.
